Extraordinary manor on 4+ acre gated estate reflects a classic style which will remain timeless & elegant for years to come. A custom builders own residence, this home has been constructed using only the finest materials; no details have been overlooked. The estate has been thoughtfully laid out with its gated tree-lined drive, coordinating heated detached garage, barn, well-composed landscaping & pasture. The lavish main floor master suite, complete with a jetted soaking tub and patio access, ensures peace and relaxation. High ceilings throughout the home give a lovely open & airy feel, while the rich woodwork adds a perfect balance of warmth. Exquisite inside and out.
