Stunning residence in the sought after community of White River Estates; just on the border of Bonney Lake and Buckley. With great attention to detail, the inviting interior is sophisticated yet comfortable, and boasts extensive hardwood flooring, custom millwork throughout, formal living & dining rooms, generously proportioned bedrooms, theater and study. A well-appointed kitchen sits open to the large casual nook, and features an oversized pantry, central island, granite counters and stainless steel appliances including a 5+ burner gas range. The master bedroom is a wonderfully peaceful room offering an air of luxury, completed with a huge walk-in closet and a freshly updated en-suite with a soaking tub & tile shower. This enviable property offers a serene backyard waterfall, meticulous landscaping, covered outdoor living, play set and hot tub. From movie night in the theater to alfresco dining on the patio; you will have the ideal space for entertainment or relaxation.
